Special Programs

Reading: Starting next month each class will have a special day of the week to visit our Library/Computer Center Room. Each student will be able to check out a book and take it home, to read for the week. Our librarians will keep track of how many books each child has read weekly and at the end of each month determine who our "Reading Stars" will be.

News From the Office

- Please do not allow your child to bring toys from home, unless it is a show and tell day. Your child is allowed to bring a doll or stuffed animal for nap time which must be kept in their nap time bin.
- Extended Care hours are from 7:00 a.m. to 6:00 p.m., Monday through Friday. If you are going to be late picking up your child, please call the center so that your child can be assured that you are on your way.
- Children should arrive in time for class. If you feel that you will be late, please call so we will be aware. Anything more than 15 minutes after class has begun will be considered a tardy.
- Open Door Policy: Mount Olive has an open door policy. We invite you to drop in, unannounced, at any time. All visitors, other than parents of enrolled children, must check in at the school office before entering the center.
